AFRICAN AMERICAN HERITAGE ASSOCIATION
Formerly Known as Afro-American Heritage
Association

Records of Corporation Division, Secretary of State, State of Illinois, reviewed June 24, 1959, reflect that Articles of Incorporation, Non-Profit, for Afro-American Heritage Association were filed October 3, 1958, giving the purpose of the organization as being "to spread wide and far the history and heritage of people of African descent to Negroes and to the whole American people,..."

A source advised on May 8, 1963, that African American Heritage Association (AAHA) with headquarters at 306 East 43rd Street, Chicago, Illinois, was known as Afro-American Heritage Association until February, 1961. It was founded by ISHMAEL FLORY for the ostensible purpose of teaching African history and culture to American Negroes. AAHA is strongly influenced by the Communist Party (CP) of Illinois. It has a governing board represented by both communists and non-communist members and some individuals with strong nationalistic tendencies. This board decides policy, reflecting CP policy on some issues and opposing CP policy on other issues; for example, the CP rejects the concept of Afro-American as a reference term to the American Negro and rejects aspects of nationalism, both of which are reflected in the AAHA program.

FLORY is a member of the Negro Commission, CP of Illinois and theoretically under the discipline of the CP. He continues to be the guiding in AAHA.

A second source advised on May 9, 1963, that during the latter part of 1962, the CP of Illinois, South Side Executive Board worked with ISHMAEL FLORY and CLAUDE LIGHTFOOT, leading CP of Illinois policy-maker, to organize two AAHA chapters in Chicago Congressional District wards, which, according to FLORY, would provide avenues in the local level to discuss issues and Afro-American history and for the solution of current problems within the context of Marxist theory. These chapters, Crispus Attucks and First Settlers Chapters, are under the leadership of South Side Club CP members and their aims include efforts to recruit new CP members and reactivation of ex-CP members.

AMERICAN INSTITUTE FOR MARXIST STUDIES
Also known as AIMS

A source advised on April 9, 1963, that on April 7, 1963, at a meeting of the District Committee of the Communist Party, United States of America (CP, USA) of New England, held in Boston, Massachusetts, HERBERT APTHEKER stated he was developing an organization called American Institute For Marxist Studies (AIMS), which would eventually legalize the CP. He stated AIMS would publish literature on History, Science, Physics, Archeology, and other subjects which would be put out quarterly with various supplements.

A second source advised in December, 1959, that HERBERT APTHEKER was elected to the National Committee, CP, USA at the 17th National Convention of the CP, USA held in December, 1959.

A third source advised on June 7, 1963, that on June 3, 1963, HERBERT APTHEKER spoke at the CP, USA New York District Board meeting concerning AIMS. APTHEKER stated that AIMS would unite and strengthen the CP although the CP would not be connected with it. He stated AIMS was being formed to operate within the scope of the McCarran and Smith Acts and would legally bring Marxist material and opinions to the attention of American scholars and the general public.

On February 19, 1964, Special Agents of the Federal Bureau of Investigation observed the building directory of the building located at 20 East 30th Street, New York City, which reflected the AIMS was located on the fifth floor west of the above building.

FREEDOMWAYS ASSOCIATES, INC.

The records of the New York Secretary of State, Albany, New York, show that the certificate of incorporation of Freedomways Associates, Incorporated, was filed on March 2, 1961.

The Spring, 1963, issue of "Freedomways" is self-described as "A Quarterly Review of the Negro Freedom Movement" published by Freedomways Associates, Incorporated, 799 Broadway, New York City.

On May 24, 1961, a source advised that a report was given on "Freedomways" at a meeting of the National Board, Communist Party, USA (CPUSA), held on May 24, 1961. It was stated that the original plan called for the publication to be openly Marxist, but that it was later decided it would not be avowedly a Marxist publication. Editorials are in the hands of a mixed group of Marxists and non-Marxists. It was stated that the central purpose of "Freedomways" is to develop a theory and positive criticism of currents in the Negro movement, as well as to raise the level of understanding and discussion taking place in Negro life today and to project a socialist and pro-Soviet orientation.

On May 25, 1961, another source advised that "Freedomways" was set up for the CPUSA by James Jackson, a member of the National Committee of the CPUSA.

NATION OF ISLAM

In January, 1957, a source advised ELIJAH MUHAMMAD has described his organization on a nationwide basis as the "Nation of Islam" and "Muhammad's Temples of Islam".

On July 10, 1963, a second source advised ELIJAH MUHAMMAD is the national leader of the Nation of Islam (NOI); Muhammad's Temple of Islam No. 2,5335 South Greenwood Avenue, Chicago, Illinois, is the national headquarters of the NOI; and in mid-1960, MUHAMMAD and other NOI officials, when referring to MUHAMMAD's organization on a nationwide basis, commenced using either "Mosque" or "Temple" when mentioning one of "Muhammad's Temples of Islam".

The NOI is an all-Negro organization which was originally organized in 1930 in Detroit, Michigan. MUHAMMAD claims to have been selected by Allah, the Supreme Being, to lead the so-called Negro race out of slavery in the wilderness of North America by establishing an independent black nation in the United States. Members following MUHAMMAD's teachings and his interpretation of the "Koran" believe there is no such thing as a Negro; that the so-called Negroes are slaves of the white race, referred to as "white devils", in the United States; and that the white race, because of its exploitation of the so-called Negroes, must and will be destroyed in the approaching "War of Armageddon".

In the past, officials and members of the NOI, including MUHAMMAD, have refused to register under the provisions of the Selective Service Acts and have declared that members owe no allegiance to the United States.

NATION OF ISLAM

On May 5, 1958, the first source advised MUHAMMAD had, upon advice of legal counsel, tempered his personal statements and instructions to his ministers concerning the principles of his organization in order to avoid possible prosecution by the United States Government; however, he did not indicate any fundamental changes in the teachings of his organization.

On July 10, 1963, a third source advised MUHAMMAD had early in July, 1958, decided to de-emphasize the religious aspects of the teachings of Islam and to stress the economic benefits to be derived by those Negroes who joined the NOI. This policy change, according to MUHAMMAD, would help him acquire additional followers and create more interest in his programs.

This conference was the result of a mandate issued by the National Executive Committee, Communist Party, USA, calling for a youth conference to establish an organizing committee whose objective would be to set up a national socialist-oriented youth organization. The conference scheduled a convention to be held within a year to found a new national socialist-oriented youth organization.
